## Waving goodbye to 2020

Dear client,

Welcome to the final newsletter of 2020, a year that brought many challenges with it and was a good learning curve for everyone. It helped us adapt to new scenarios such as working from home, participating in online conferences, and holding virtual meetings with current and potential clients.

Other changes occurred, and these relate directly with two of the companies that form part of Business Concept International plc. In the past weeks, there was a consolidation between [Accounting Services Ltd](#) and [Fairwinds Management Limited](#), making the latter company take the lead and handle billing of both entities while removing its ties with BCI plc which will be dissolving in the coming months. In preparation of this next step, BCI's presence on social media will reach an end in the new year. In this respect, we invite you to start following us, if you're not already doing so, on [A+A Assurance Services Limited](#), [Fairwinds Management Limited](#) and [Accounting Services](#) social platforms. We ensure you that we will keep on providing the same services in the same professional way with more energy.

At this time of year, we usually start sending out invitations for our annual Christmas drinks, however, due to the restrictions that the COVID-19 pandemic has put on our social lives, we won't be organising any activity this year. We would like to take this opportunity to virtually thank you for trusting us once again; we are extremely thankful for using our services during these challenging times. We also wish you, your colleagues and your loved ones good health, and wish you the very best for a better New Year.

Finally, we would like to inform you that in the coming weeks, our offices will be closed for a brief Christmas shutdown between Monday 28th December and Friday 1st January so we can all spend some time with our loved ones.

Stay safe!

**Sincerely,  
The Management**
