Summer 2021 Business Updates

MESSAGE FROM THE MANAGEMENT:

It is our pleasure to be welcoming you again to another edition of our quarterly newsletters.

We're in the first week of September, meaning we are all well-rested after some days away from our offices to spend time with our loved ones during the past hot summer days.

We at Fairwinds Management Limited love summer, particularly since our company's anniversary is celebrated in July. Another year in business is a reason to celebrate with the team as it wouldn't be possible to succeed without their efforts and commitment to work. To celebrate the 8th anniversary since the company was incorporated, this year we surprised our team with an ice cream van outside of our offices in Birkirkara. Our team was treated with a variety of deliciously made hand-crafted ice cream rolls that were created instantly upon order. These were surely enjoyed by all the team!

This summer also calls for a corporate event to thank all our staff for their commitment year after year. In this respect, we would like to inform you that **our office will be closed tomorrow, Friday 3rd September** as this event will be held during office hours. This day will allow our team to get to know better one another and take a good break together prior the start of the last quarter of the year.

The upcoming quarter will see our team in full swing preparations for a much long-awaited event that due to COVID-19 pandemic and the restrictions that came along with it in the past months had to be postponed for 2 years. In two months' time, between 16th and 18th November, we should be exhibiting at SiGMA. For the first-time ever, we will have our representatives ready to assist

who for some reason will not be able to travel to Malta.

Until then, stay safe!
