News From Your Accounting Firm

MESSAGE FROM THE MANAGEMENT

Welcome to the first Fairwinds Management newsletter of 2022, your **Business Solutions** providers in Malta. We would like to remind you about the main services that we offer you, being **Accounting, Administration, Corporate** and **Legal** services.

In the past months, we have seen various old and new customers struggling in different business areas which we would like to point out below and offer solutions to you in case you are also struggling with the same issues:

Payroll: Due to growth in business, having time for payroll has become difficult. Our only HR employee has gone on maternity leave.

Solution: *We offer payroll services for self-employed and companies. No matter how many employees you have, we can cater for payroll services, even to fill gaps whilst your HR or accounting staff is on a long-term leave or until such roles are replaced.*

Third Country Nationals Single Work Permit: Lots of paperwork and complex processes to employ a TCN, considering the lack of employees available locally.

Solution: *We can handle all paperwork on your behalf, this gives you more time to focus on your business once you have found your ideal candidates.*

Banking: Blocked or suspended bank accounts due to high-risk transactions or missing due diligence documents.

Solution: *We advise to have more than one bank account. We can offer various introductions to Electronic Money Institutions (EMI). Having alternative banking ensures you can run your business smoothly.*

Consultancy: Mismanagement, poor cashflow and being unsure on how to take the business to the next level. Whether it involves a merger, request for
